Cookie Cutter Texture Sets

Your customers will love how easy it is to create gorgeous cookies for showers, parties and entertaining! First time decorators will be delighted with the professional-looking results, while experienced decorators will appreciate how practical these sets are to use. The sets include texture mats, cookie cutter(s), recipes, instructions and samples of cookies decorated using the sets. Several sets have a general design that can be used with the included cutter, other cutters or cupcakes. In addition to the cutter set, your customers will need rolled fondant or buttercream icing.

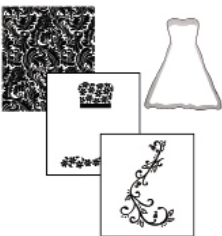

Each set is professionally packaged with recipe, instructions and pictures of finished cookies to provide inspiration.
